Dear Dionne Walker-Belgrave (Dowling College), Benedict Tieniber (Dowling College), Tanesha Hunter (NYC DOE), Stephanie Tatum (Dowling College), and Elsa-Sofia Morote (Dowling College):

Based on the recommendation by peers, your paper entitled “*Why Are Assistant Superintendents Not Moving into Superintendent Positions: Is It A Matter of Age?*,” has been accepted for presentation at the XIII International Business and Economy Conference 2014 to be held in China, January 9-12, 2014 at Tianjin Polytechnic University (TJPU). Thank you for choosing IBEC as the forum to present your research findings.

Accepted papers presented at the Conference, at the discretion of authors, are published in the Conference Proceedings (United States Library of Congress ISSN 1537 2316). Complete papers, as yours, are also eligible to automatically be considered in the “Best Papers Award” selection.

Attached you will find (1) feedback from reviewer(s) –while you do not necessarily need to send us your revised document, you might find this feedback useful as you prepare your presentation for China and/or to improve your manuscript for the proceedings or for publication purposes, and (2) essential information for attending the conference in China.

Please, acknowledge receipt of this acceptance and let us know if you plan on attending the conference. Information on accommodation, conference fees, and payment instructions is found at the end of this document. In addition, information on a tour to Beijing (extra cost and organized by an external travel agency) is posted in the conference website.

We look forward to seeing you in Tianjin, China.
